Those interested in presenting should submit their abstract proposals (500 words) to hceh@rtc.bt on or before November 15 2024. Selected participants will be asked to submit their complete paper by March 15, 2025. Selected presenters will be offered a modest honorarium to (partially) cover travel and accommodation.

This national conference is organized in collaboration with the International Centre for Integrated Mountain Development (ICIMOD) as part of the project titled: 'Successful Intervention Pathways for Migration as Adaptation (SUCCESS)' funded through CLARE – the UK-Canada framework research programme on Climate Adaptation and Resilience. This collaborative project seeks to generate new knowledge and perspectives on the evaluation of climate adaptations and climate-resilient development that involve migration, mobility and immobility across South Asian countries.
