

Campus Tours

Visiting the campus is one of the best ways to learn about RTC and see the facilities we offer. There are several different packages offered for campus tours. There is a basic campus tour with tea and snacks or enhanced options for a tour with presentations on an agreed topic, tea, and snacks/lunch. These programmes can be scheduled for 1 to 2 hours depending on the type of package selected.

Exam Centre

You need not go far and spend more. RTC Exam Centre is well-equipped with reliable internet connectivity and a calm ambiance ideal for high-stake tests.

NAT test center

RTC in partnership with SENMON KYOUIKU offers the Japanese Language NAT test to empower individuals with the linguistic skills necessary to thrive in a globalised world. Whether aiming to study or work internationally, our NAT test center offers a reliable platform for you to take the tests without having to spend much on travel abroad.

Sports

Our excellent on-campus games and sporting facilities such as a full-length football field with artificial turf, indoor and outdoor basketball, volleyball, badminton, pickleball, and table tennis courts are also available for rent. These sporting facilities offer a convenient venue for one-off matches up to multi-day tournaments or leisure events for organisations.

Pearson VUE testing center

In partnership with Pearson VUE, we also facilitate examinations that validate the expertise and skills essential for career advancement. Our Pearson VUE testing center ensures a secure and efficient testing environment, empowering individuals to realise their professional aspirations with confidence.

RTC Training & Professional Services

A premier venue with high-quality facilities for all your training, conference and educational events.

The Ideal Location

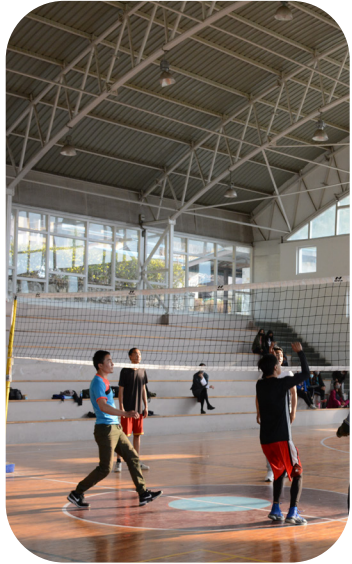

The Royal Thimphu College campus is one of the most unique locations in the country, offering a truly distinctive destination for any style of event. Nestled in the spectacular mountains in Ngabiphu about 11 kms away from the Thimphu city center, RTC offers a peaceful environment for holding events such as conferences, workshops, meetings, training programmes, retreats, and other special events.

Executive Center

The executive center at RTC offers an ideal venue for a variety of events, accommodating groups ranging up to 150 people, with 4 breakout rooms and outdoor spaces for your activities. It also includes audio-visual equipment, wireless internet, and access to photocopiers, computers, and printers. The executive center can be hired out for a minimum of half a day to a week, or longer, depending on your requirements. Our affordable pricing and serene setting make it an ideal alternative to hotels.

Seminar Halls and Classrooms
For events requiring smaller capacity, our modern seminar halls and classrooms ranging from 20-100 seating capacities are excellent venues for group discussions and medium-sized presentations.

Av Studio
RTC offers a well-equipped audio visual studio, where creativity meets technology to transform ideas into captivating visual experiences. It is equipped with the latest tools and expertise to bring your vision to life.

Accommodations
Our executive guest house nestled in the heart of the college campus contains 6 double rooms and 2 suites. Surrounded by delightful greenery, and with a view of the stunning 169-foot Kuenselphodrang Buddha statue, it provides quality accommodation amenities. The rooms can be rented out to accommodate your out-of-town guests or as a part of your event.

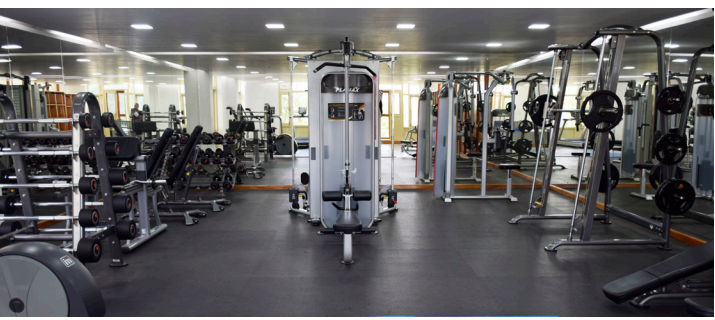

Multi-Purpose Hall (MPH)
The MPH hosts indoor basketball, volleyball, badminton, and table tennis courts. The MPH can accommodate over 1000 seats and offers an open setting for large-size events.

IT Facilities
RTC has 4 fully equipped computer labs with over 140 computers. Internet connectivity is provided through a dedicated high-speed leased line. Wi-Fi connectivity is available throughout the campus.

Fitness Centre/Gym
The fitness centre offers a fully functional workout space featuring state-of-the-art equipment to support recreation and well-being.

Auditorium
Our state-of-the-art auditorium offers comfortable seating for over 650 participants, front & back projectors, professional lighting, and sound systems, the use of green rooms, screen, podium, foyer, toilets, parking space and technical assistance. It is the perfect venue for holding relatively large-scale events such as panel discussions, cultural programmes, and other large functions.
