Off to College Checklist

In order to better prepare for your stay at RTC, we have compiled a checklist that will help you to decide what to bring along (and not to bring) to the college on August 4th, 2020.

Checklist

1. Dress Code – While attending classes as well as important college functions, Bhutanese students must wear the national dress. Students should, therefore, bring sufficient sets of gho/kira, tego, wonju, lhagay, etc. Also, all students should bring a Kabney/Rachu.
2. All students are responsible for their personal items and money. RTC will not be liable for any damages, loss, or theft in the normal course of the college programme, field trips or travel to/from RTC.

3. Each boarder will be provided with a bed and mattress (no pillow), cupboard, study table and chair. Curtains will also be provided.
4. The Dining Hall will provide all the required cutlery, utensils, plates, cups, etc. so the students need not bring such items.
5. There will be hot water facilities with showers in all the residence hall bathrooms.
6. There is a Book & Convenience Store on campus which is able to supply some of the above items, especially stationary.
7. Students may bring additional items to the college as per their personal needs as long as this does not cause inconvenience to their roommates by overfilling the room. These items may include computers/laptops, music player (with headphones), mobiles, hairdryers, irons, and alarm clocks as well as other items such as umbrellas/rain gear, water bottles, torch and basic medicines.
8. The RTC has sporting facilities for football, basketball, volleyball, badminton, table tennis as well as a Fitness Centre. Students interested in sports should bring their own sports gear such as football boots, racquets, etc.
9. There will be no cooking allowed in the rooms. Filtered drinking water, as well as hot water, will be available at the residence halls for consumption.
10. Laundry – The College has laundry machines and for those wishing to wash their own clothes, there is a designated space in each residence hall for washing and drying clothes.
